

Love is just a word

Text: Neil Deane / Klaus Wittelsbach

fism E
Love is just a word!

D fism Cis
Love is just a four-letter word!

fism E
Love is like a bird:

D fism Cis
flying away and never more heard!

fis
Drifting down the street

E H
feeling cold and blue.

fis E
Where do I belong?

fis
Nothing is complete

E H
living without you

fis E
everything in life goes wrong!

Cis
so wrong!

Love is just a word! ...

Make your word a cloudburst
let the rain fall down
sweep my cares and fears away!

Let me fall downwards
lost in your embrace!
make me always want to stay!
I pray!

Love is just a word! ...
