Heaven knows

e m h m
my love for you

A 7
never ends nor dies.

My feeling shows
and whatever I do
you are my life, just you!

Hold me tight,

H 7 A
I'm not too young to be

G 7+ D
with you, just you tonight,

A
you and me.

Yesterday
your soft and tender kiss
made me want to stay.

When you are far away
I'm sad because I miss
your sweet sweet touch so much!

Hold me tight, . .
